

HEALTH SAVINGS ACCOUNT (HSA) INDEX CHANGES

The deductible and out-of-pocket requirements for a High Deductible Health Plan (HDHP), and the contribution maximums for a Health Savings Account (HSA), are adjusted annually for cost of living changes based on the Consumer Price Index. Adjustments, if any, are made in \$50 increment. The 2009 limits and maximums and the adjusted rates for 2010 are listed below.

Note that adjusted rates must be complied with no later than the start of your plan's first plan year on or after January 1, 2009.
