

Special Notice

First Health Excluded Providers

The providers below may appear in the directory, but are no longer part of the network for UMR.

Please note: We make every effort to ensure each of the network links contain accurate and up-to-date information. However, because changes occur so often, the online directory may not reflect the most recent changes. Before you visit your providers, please verify with them that they are still included in the network before you receive any services
