

# The clear choice for vision care

More than 20 million people have selected Spectera for their vision care needs ... making it the fastest growing vision carrier in the industry.

## Choosing the right vision care just got easier

The Spectera vision program offers a selection of comprehensive plans designed to fit seamlessly with the benefit package.

### Customer receives:

- ▶ Access to a large, balanced network + cost savings
- ▶ Plan designs to choose from with a set fee schedule
- ▶ Covered-in-full benefits for routine vision care
- ▶ Flexibility in choosing copay amounts and frequency options
- ▶ Out of network allowances for exams, lenses and frames
- ▶ Discounts on laser vision correction procedures
- ▶ Product support to troubleshoot issues

### Members receive:

Prompt, personalized customer service

Point-of-service claim resolution

Easy access to online benefits & locating in-network providers
