

UMR Online Services

Convenient, accurate, relevant

Clients can leverage personalized, on-demand reports from the Web to support their health plan goals and guide them as they develop longer-term strategies.

Members can track their claims, check eligibility information and access online resources to help them understand their health issues and make better decisions.

The following features are just a click away:

- Care management information
- Claim, eligibility and benefits inquiries
- Health Reimbursement, Health Savings, and Flexible Spending Accounts
- Frequently used forms
- Healthcare Advisor and Coverage Advisor
- Pharmacy benefits information
- Provider links
- Online reporting

Information is kept confidential and secure. Users must register and log into the portals, allowing us to verify their identities.

Technical Support

We want our Web visitors to be able to seamlessly navigate our site... without any difficulties. If you experience problems or lag time, help is a toll-free phone call away.

Completely Confidential

Information is kept confidential and secure. Users must register and log into the portals, allowing us to verify their identities.
