

Diabetes Insulin Pump and CGM Supply Vendors:

Diabetes supplies for insulin pump and continuous glucose-monitoring (CGM) devices are processed according to the ***medical portion of the health plan*** as DME (Durable Medical Equipment), not pharmacy. Purchases of DME apply to the applicable *Deductible and Co-insurance* that is in effect at the time of the purchase.

Initial purchase of either an insulin pump or the continuous glucose-monitoring (CGM) device will need to be preauthorized with UMR. More information is available by calling (800)826-9781 or visiting the UMR website at www.UMR.com.

Preferred National Mail Order Vendors (Tier 2):
